

HOSTED BY ADVOCATES OF ANTI-RACISM
IN THE LIFE SCIENCES (AARLS)

GRADUATE STUDENTS IN STEM PANEL

April 8th 2-3 pm

Join us for an inside scoop on what it's like to be a STEM graduate student at UGA. We will discuss what it's like to get into graduate school, what research is like at UGA, and careers in STEM

Panelists

Jaqueline Joye Peña- Plant Biology

Nicole Khamsa- Cellular Biology

Judith Mary Reyes Batista-
Infectious Diseases

Nicole Solano-Asamoah- Ecology

Dr. Olivia Thompson- PhD
Microbiology
